

## Finding Memphis

17 year old Dustin Russel, finds out that his also 17 year old girlfriend, Sandy is pregnant. Dustin wants to marry Sandy and obtain the one thing that he has always dreamed of, the All-American-Dream, of a wife, family, house, and a good job. But to Dustins dismay, Sandy has no desire for such things. Sandy has political ambitions and as no time for a husband, and certainly not a child. Sandys mother, who is the driving force behind her political ambitions, will stop at nothing to stop Dustin and his family from getting their hands on her and Dustins child. This takes place in a small town outside Raleigh North Carolina and centers around Dustin and his parents plight to find Sandy after she leaves their hometown, and state to have their baby, and adopt it out, before Dustin can find her or the baby.
