

## The Celtic Football Miscellany

There is something for every fan in The Celtic Football Miscellany. The world-famous Scottish football club has a widely diverse and amazingly successful history, but this book is not exclusively a history, or a fans guide, or a collection of biographies, or an encyclopedia. It is a little bit of all of these things. Within these pages, the reader will learn hundreds and hundreds of quirky and obscure facts about the Boys on a wide range of topics, from the history of the clubs famous hooped shirts and paradisiacal home ground, to the European glory nights, famous managers, and match-day facts and stats. Much more than a book of lists or compilation of trivia, The Celtic Football Miscellany will bring hours of reading pleasure to fans of the Hoops.
