

Flourishing

Do you want to be stronger, more optimistic, and creative? Want to be better at grasping opportunities, pursuing goals, and facing set-backs? Do you want to FLOURISH? You may think that in times of crisis survival is the best strategy. But here psychologist Maureen Gaffney shows that in an increasingly uncertain world it is not only possible for us to flourish, but essential that we take steps to do so. In this book she will show you how to achieve a deeper sense of well-being, meaning, and purpose; use adversity as a positive turning point in your life; train your mind to pay attention; master your emotions; and focus on your goals. We can all flourish, and in this exciting and innovative bookpacked full of practical examples and techniques you will find the perfect guide to positive living. Drawing on Maureen Gaffneys experience of working with people and organizations around the world, and on new research, this gripping, stimulating, and inspiring book will help you change your life for the better. Get ready to flourish.
