

## Forgiveness: Overcoming the Impossible

Whether giving or receiving, forgiveness is the key toward true healing and blessing. God says there are no limits to forgiveness toward others or ourselves. And when Matthew West set out on a journey asking people to share their true life stories, Renee shared about how she chose to forgive the drunk driver who hit and killed her daughter. This remarkable story and others like it bring peace and healing to the one needing and the ones giving forgiveness. Fifty powerful stories share forgiveness through divorce, betrayal, addiction, abandonment, death, and more. Each story ties into the promises of Gods faithfulness and healing, and ends with the story of Gods ultimate forgiveness through the message of salvation.
