

Freely Forgiven: A Study in Redemption (Geared for Growth)

Redemption - one of these words Christians tend to use a lot but can sometimes have a bit of a fuzzy idea what it actually means. The whole of the Christian Faith turns on this word, to redeem is to buy back and it is God that is at work. On the cross, Christ bore the penalty for all our sins, so that those who trust in him may once more have a relationship with God. Christ was the means of redemption for us. Study this life changing truth, see what God has done for us, and give thanks! Geared for Growth study materials encourage: A Daily Encounter with God: Your 10-15 minutes each day will strengthen the impact of Gods word on your daily living Group learning and sharing: Meet weekly in a small group, share your answers and be enriched as you learn from others. Spiritual Growth: You will be challenged to put Gods Word into practice. Others will feel the impact as you obey, grow and mature. Church Growth: Introduce people to Spiritual reality.
