

Fully Alive

In a style fresh, yet tested by years of study and experience, Elder Shuler sets forth in this book, with his usual directness and simplicity, how men and women find acceptance with God, both now and in the judgment. This gift of Christ's righteousness includes far more than the remission of sins. When you let the Holy Spirit bring Christ into your life, He changes you on the inside. He makes you into a new person so you can live a new life of righteousness and victory. This change is commonly called being born again, or the new birth, or regeneration by the Holy Spirit. Jesus by the Holy Spirit begins to live in you, day by day, a new life of obedience to God, giving victory over sin within. Christ's righteousness then bestows in you His love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control. Galatians 5:22, 23, R. S. V.
