

Before Saying I Do: What Every Young Woman Should Know Before Getting Married

This is a book about empowering the individual before bonding in marriage. My goal is to hopefully encourage you to achieve your hearts desire. A simple push for you to invest in yourself now, and incorporate the things that you are passionate about into your schedule. As a guide I have focused on 10 basic concepts. It will be a lot easier to learn new skills now versus waiting till your time is split between your children and husband. But be encouraged, even if you are already married, it is never too late to achieve your desires.
