

## Gerry Andersons TV 21: Volume One: Adventure in the 21st Century (Classic Comic Strips from the Worlds of Gerry Anderson)

From its launch 1965, TV Century 21 (later known simply as TV 21) was the smash-hit British comic of the 1960s. Its in-house tie-in with the science-fiction puppet series created by Gerry Andersons Century 21 Productions guaranteed success with young fans excited to read more about their TV heroes, in an era before video technology enabled viewers to relive favorite TV shows at will. Thunderbirds, Lady Penelope, Fireball XL5, Stingray, Captain Scarlet, and Joe 90 all burst forth in full color from the magazines packed pages, in stories illustrated by such giants of the comic industry as Frank Bellamy, Don Harley, Mike Noble, Ron and Gerry Embleton, and Cervic, the pen-name used by the team of Carlos Pino and Vicente Alcazar. This superb showcase of Andersons most popular characters will be an essential purchase for all Anderson fans and all enthusiasts for classic British comics.
