

## Get Rich In Spite of Yourself

In this long-forgotten gem, the author gives an astonishing formula for wealth and success which he developed while making four fortunes - two for others and two for himself. He declares that anyone can use this formula to gain Success permanently. The formula can be followed by rich or poor; by almost any job or business, trade or profession. It is so simple that the book can be mastered in three hours. This book proved a sensation. Over 2,000,000 copies were sold and thousands of people wrote to the author telling of riches piled up as a result of applying the principles of this book. Many rich and successful men and women, declares the author of this helpful book, have no more brains or energy than anyone else. They are usually driven to success. Frequently they are so helpless they cant stop moving ahead even when they want to. Their money is made in spite of themselves! Louis M. Grafe, who made his own fortune, lost it, and then went on to earn another fortune, presents an astonishingly simple formula for wealth and success. He has tested it in his own experience and has found that it has brought wealth not only to him but to many other people. Based on fundamental principles which you can find in your own copy of the Bible, this book demonstrates the existence and practical application of the Law of Success - the law which everyone who has ever made money or reached the top in their work has used, consciously or unconsciously. The formula can be followed by anyone, rich or poor, in almost any job or business, in any honest trade or profession. And it is so simple that you can learn all you need to know about it in three hours. Marry readers wonder, after reading this book, why they did not discover the formula for themselves, it is so amazingly right, so plainly practical and workable.
