

Silver Dreamer (The Silver Series Book 3)

Love is composed of a single soul inhabiting two bodies. Aristotle With the death of the Pope, Diana and her friends realize the enemy of the Light, Asmodeus, is at the Vatican, and they finally have a chance to catch him. But all does not go well, and when Asmodeus flees, the chase is on. From New York to Rome to San Francisco excitement continues for Diana and her friends. They are after the most dangerous demon on the planet and Diana is falling in love with one of the oldest. Though the demon threat in New York is neutralized, at least temporarily, the Warriors once again find themselves surrounded by danger in this third installment of The Silver Series and the ageless struggle between the Dark and the Light continues. Will Diana survive the fight with Asmodeus to find happiness with Alex at last? The Silver Series takes you on an adventure where demons and heroes from the past blend with history, action, and just a hint of romance.
