

Ghosthunters: On the Trail of Mediums, Dowzers, Spirit Seekers, and Other Investigators of Americas Paranormal World

Why are so many people fascinated by ghosts? To answer that question, writer and paranormal researcher John Kachuba aka The Ghosthunter investigates haunted locations throughout the country and interviews scores of people who have had paranormal encounters. The author discovers a growing interest in ghosts today, which has spurred an American pop culture phenomenon based on the supernatural. Combining his case reports of actual hauntings, discussions with leading figures in the paranormal world, and stories about related subjects-- buying ghosts on eBay, buying and selling haunted houses, ghost tourism--Ghosthunters presents an intriguing and witty look at Americas paranormal world. Set off down the trail of the paranormal and read about:

- A ghost hunt in a Connecticut coffee shop with lay religious demonologist David Considine.
- Spending the night with the ghost of Miss Lily at St. Augustine, Floridas historic St. Francis Inn.
- Spiritualist minister Rev. Rose Vanden Eyndens abilities to talk with the dead.
- The search for the headless inmate on a ghost hunt at West Virginias Moundsville State Penitentiary.
