

## Ghosts of Idahos Magic Valley:: Hauntings and Lore (Haunted America)

Barking dogs, silent birds and a malodorous stench foretell encounters with the ghostly apparitions and strange creatures that stalk Magic Valley. Are these just fanciful notions and figments of the imagination? Not according to eyewitnesses who swear things really do go bump in the night in south central Idaho. Read about the Stricker Ranch caretaker awakened by the phantom of a pioneer woman, the piercing red eyes that frightened visitors at Albions normal school campus, the couple whose property is haunted by ancient spirits and the woman and her grandson who encountered Bigfoots foul stench in a local wilderness. Turn on the lights, get cozy and read on as author Andy Weeks investigates the phenomena and local lore of Idahos Magic Valley.
