

## Ghosts of the Triad:: Tales from the Haunted Heart of the Piedmont (Haunted America)

Dont be fooled by the scenic beauty of North Carolinas Piedmont Triad--the ghosts of the past haunt these rolling hills and unique cities. From the smallpox-stricken ghost that haunts Salem Tavern in Winston-Salem to the slain Revolutionary War soldiers who linger in the park surrounding Guilford Courthouse in Greensboro, these phantoms all have a tale to tell. Some ghosts even support education. Take Jane, the lonely spinster who haunts Aycock Auditorium at the UNC-Greensboro campus, or Herschel, High Point Universitys ghost of the former Memorial Theater. And though Spookywoods Haunted Attraction in Kersey Valley often frightens and astounds, some of the resident ghosts arent just special effects. Join Camel City Spirit Seekers Michael Renegar and Amy Spease as they reveal the eerie and chilling stories from the heart of the Piedmont.
