

An Awesome Beginning: The Truth about Creation

You know its coming. You try not to think about it. Just when you think youre off the hook, your child asks, Where do babies come from? Many adults wonder the same thing about mankind. How did we get here? Are we from another planet? Did we come from primordial ooze? If you know God is real but are not quite sure about how everything ties in, this is the book for you. Join me as I disprove some popular theories and prove the truth of how the Bible says we got here. So curl up somewhere comfortable and get ready for the truth!
