

Gods Amazing Equation

This book teaches how relevant the Bible is for marriage today. Gods design is exciting, romantic and full of the wow factor. In fact opposite to what some people think it would be. It explains the role of the husband and the role of the wife, and then goes on to explain Gods way of dealing with the difficulties and problems that are common in any marriage. It also instructs the couple on how to enhance and strengthen the marriage. It gives indepth instruction in sexuality and points our that God designed it for procreation and recreation. Therefore it should always be exciting and in fact is a picture of Christs love for the Church.
