

Words Begin in Our Hearts: What God Says About What We Say

Our culture says that talking dirt on others is not only acceptable, but actually expected and even fun. Clearly, this contradicts what pleases our God, so how exactly do we stop this wretched flow of words? Author Rhonda Rizzo Webb says it takes forethought, training, and practice. In her new book, *Words Begin in Our Hearts*, Rhonda walks women through what Gods Word says about our words and helps equip them to apply biblical truth to their walk ... and talk.
