

Gold Digger #104 (Gold Digger: 104)

Gina brings along Kylie and Elroy on another dig as part of her research into the Age of Wonders. But when they dig up the last of the three Centuria helmets, a trio of competitors, sore over a perceived theft of their site claim, strike to take the treasure for themselves. Brittany spares Gina's group any major harm, but the trio accidentally take Elroy with them, and Gina has to find and save him before they unleash ancient powers too extreme to control!
