

The slice haunts millions of golfers worldwide, but the answer is finally here. Slice-Free Golf will eliminate your banana ball and add more distance, consistency and fun to your game. In three easy steps, Slice-Free Golf will transform your weak slice into a powerful and consistent draw. Slice-Free Golf features dozens of drills specifically designed to cure the slice, a cut-out visual guide to success, hundreds of photos and much more. There are countless golf instruction books on the market, but Slice-Free Golf is the only one focused solely on curing the slice. A fun, easy-to-understand book that delivers fast, permanent results. Say goodbye to the banana ball! "If cutting the ball is frustrating you, please read Slice-Free Golf. By following Brians program, you will also develop more consistency, greater distance off the tee, and more enjoyment on the golf course." -- Gary Player, winner of 18 Major Championships, including the career Grand Slam on both the PGA & Champions Tour. "I've played in pro-ams for nearly 25 years...By far, the most frustrated and miserable golfers were the slicers. Follow Brians lead and leave your slice in the kitchen. Golf can be powerful, satisfying and fun for everyone...cool book!!!" -- Dottie Pepper, winner of 17 LPGA Tour events, including two major championships, Golf Commentator for NBC and The Golf Channel. PGA Professional and TV golf commentator Brian Crowell takes the golfer through three easy steps, all clearly explained and illustrated. In Step One, he demonstrates his revolutionary approach to set-up that eliminates many of the golfer's most common faults. Step Two covers the swing itself without the mumbo jumbo that accompanies much golf instruction. In Step Three, you'll learn how to let nature take its course so you finish your swing with a smooth release. It all adds up to produce a powerful, consistent draw. Slice-Free Golf includes over two dozen drills to help you banish your banana ball forever. Using common items found in every household and golf bag, Crowell shows you how to break the bad swing habits that destroy your scores. Each drill is illustrated, explained and proven to produce results. The book also includes extensive bonus material about which clubs you should use, how to eat and stay fit for peak performance on the golf course, and how to conquer the mental game. "If you slice, Slice-Free Golf is a MUST read...well-written, with humor!" -- Scott McCarron, three-time winner on the PGA TOUR.
