Golf can be powerful, satisfying and fun for everyone...cool book!!! -- Dottie Pepper, winner of 17 LPGA Tour events, including two major championships, Golf Commentator for NBC and The Golf Channel. PGA Professional and TV golf commentator Brian Crowell takes the golfer through three easy steps, all clearly explained and illustrated. In Step One, he demonstrates his revolutionary approach to set-up that eliminates many of the golfers most common faults. Step Two covers the swing itself without the mumbo jumbo that accompanies much golf instruction. In Step Three, you'll learn how to let nature take its course so you finish your swing with a smooth release. It all adds up to produce a powerful, consistent draw. Slice-Free Golf

includes over two dozen drills to help you banish your banana ball forever. Using common items found in every household and golf bag, Crowell shows you how to break the bad swing habits that destroy your scores. Each drill is illustrated, explained and proven to produce results. The book also includes extensive bonus material about which clubs you should use, how to eat and stay fit for peak performance on the golf course, and how to conquer the mental game. If you slice, Slice-Free Golf is a MUST read...well-written, with humor! -- Scott McCarron, three-time winner on the PGA TOUR.
