

See the world of Under-Moscow through the eyes of illustrator Adam Archer whose work has appeared in comics such as Batman, Ratchet and Clank, Gotham Academy, and Guardians of the Galaxy. Deep underground, lost and forgotten by two worlds, Under-Moscow is a city slowly dying. Countless children are housed in minimum security orphanages where they struggle to survive and find enough to eat. Tazianga Romanov escapes from these barely disguised prisons in search of food only to be tracked down by the ruthless Clubber Barnuby who unleashes Under-Moscow's darkest nightmare to track her down and kill her. Follow Tazi as she escapes into the long abandoned and forgotten sections of the city, into the vast unknown network of Under-Moscow, and ultimately to her fate.
