

Haunted Too: Incredible True Stories of Ghostly Encounters

After sharing her own story in *Haunted*, Dorah L. Williams compiles first-hand accounts of the spiritual encounters of others. Upon writing *Haunted: The Incredible True Story of a Canadian Family's Experience Living in a Haunted House*, Dorah thought her situation was unique. What she didn't realize was how many others would relate to how it feels to be haunted, too. After being flooded by emails from people with similar experiences, Dorah began to realize this wasn't uncommon at all. It seemed these paranormal happenings were universal? in all areas, within all age groups, and among all walks of life. So, *Haunted Too* came to be. Not only will it entertain the reader, as good ghost stories always have, but it will also help the reader to better understand this phenomenon, with the inclusion of shared experiences, opinions, and advice of professionals in this field. Whether fear-provoking or poignant, these collective supernatural encounters are directly quoted in their own words by those who have experienced them first-hand, and are enlightening as well as entertaining.
