

## Haunted Mississippi Gulf Coast (Haunted America)

Mississippi's gorgeous Gulf Coast is known for its sandy beaches, sunny weather and welcoming people. Not so welcoming, however, are the spirits that haunt the shores, lighthouses, canneries and historic sites in towns along the coast. Join author and ghost hunter Bud Steed as he leads a haunted journey with stops in Pascagoula, Biloxi, Gulfport, Waveland and all points in between. From the apparition seen lingering in the Bay St. Louis Train Depot, still waiting for his train to come, to the forceful spirits haunting the Old Biloxi Cemetery that refuse to be ignored, this collection offers the complete take on the haunted hot spots that add a touch of darkness and a hint of menace to Mississippi's sunny Gulf Coast.
