

## A Ghost in the Guest Room: Haunted Texas Inns, B&Bs & Hotels

Scoop up a Texas map and plan an itinerary for a hauntingly fun visit to the Inns, B&Bs, and Hotels found in this book.

So much of early Texas history lingers in these lovingly restored hostelries, along with a long-term resident ghost or two. Thoughtfully divided into seven regions, theres a place nearby, or one on your way to wherever you may want to go. Author Olyve Abbott has traveled the entire state seeking out firsthand reports of hauntings, mysterious occurrences and tales of the just plain unexplainable, and she recounts it all in this entertaining read. Be prepared for anything; from a puff of smoke following you down the hall, to a guest you didnt expect joining you late at night. And should a lady in a polka-dot dress ask for directions to Room 36, dont be surprised when she disappears before you can answer her. If the paranormal intrigues you, these are the places youll be most likely to find it.
