

Couples workbook on communication which is the key to developing intimacy in our relationships. Disagreement happen, problems will arise. We feel love when we know that our feelings are heard, remembered, and honored. Our quest for happiness often depends on finding and sustaining love. True love implies commitment. First of all, do you and your partner call yourself a couple? If not, is it appropriate to be doing this work? Each relationship teaches us and deepens our perception of love. Love has many degrees. Committed couples grow together, they desire to make their partner happier, too.
