

## Heirs of Avalon: Book Three in the Children of Fire Series

Christmas lights and her sixteenth birthday brighten Sapphires days. Her London nights are warmed by the attentions of Ramsey, a kilt-wearing selkie with a smile that promises both fun and trouble. She is growing into the role of leader of the Children of Fire. But her closeness with Ramsey and choice to withhold information causes distrust within her family. Their weakened bond allows a new evil to grow, unrecognized, around them. Horrified by the consequences her decisions have on the people she loves, Sapphire has to choose between her own happiness and her responsibilities as the Jewel of Akasha. Heirs of Avalon is the third novel in the Children of Fire series, a young adult urban fantasy series. Alica has plans for seven novels in this series, and possibly several novellas that accompany them. Currently, books 1 - 3 are available and book 4 is coming soon!
