

Before All Hell Breaks Loose: Preparing for the Coming Perilous Times

Pastor Ken Hutcherson is a candid commentator on the state of the modern church. He says were living in the midst of the Seven Churches of Revelation right now. The real question for believers today is not, What does the church think about Jesus? but rather, What does Jesus think about His Church? What does He think about the passion, purity, and priorities of todays believers? Is He pleased? Grieved? Angry? Hutcherson shows how the message contained in Revelation, chapters two and three, is as up-to-date as todays headlines. This dynamic follow-up to Here Comes the Bride is the timely wake-up call every church -- and individual -- needs today. From the Trade Paperback edition.
