

Hey, Mister: Come Hell or Highwater Pants

Meet Satan. After eons of ruling the underworld, hes sad as Hell and cant take it anymore. So why not skip town and check out the air up there? He can shack up with old pals Mister, Young Tim, and Aunt Mary but we all know slacker roommates can lead to friction in the long term. Meanwhile, Jesus Christ is wrestling with his own midlife crisis, not to mention the worlds biggest daddy issues. With Satans time on earth running out, and Hell breaking loose in his absence, its time for a road trip down below! Can our heroes save a sinners soul without pissing off the Powers That Be? Pete Sickman-Garner returns at last to his beloved cult-favorite series Hey, Mister, rounding up the whole cast for one Hell of a heist job.
