

Higher Love: Skiing the Seven Summits

Centered on her quest to climb and ski the Seven Summits, Higher Love is a heros journey, rich with personal insights, life-threatening consequences, and a thrilling crescendo. Spanning seven continents in just two years, this is Kits personal account of the secret journey that would change her heart and her life forever. From braving Antarcicas bone-chilling temperatures to trudging through an African rain forest, from corn snow on the continental slopes of Australia to blue ice on Everest, Kit leads you up each mountain and gives you a heart-racing ride back down. This candid, fast-paced story shows how inspiration, teamwork and honoring our true nature blazes the trail to every summit, on or off the mountain.
