

## His Return - Prophecy, Destiny and Hope

The Lord has warned us that many traumatic and tumultuous events will take place in the latter days prior to the Second Coming. Can we find peace, hope and strength in the midst of these events? Using the scriptures and modern prophetic revelations, Brother Skousen clearly explains the events that will occur prior to the Saviors Second Coming. This book offers a wonderful message of hope and answers many important questions about His Return: What unique protection has the Lord promised the righteous in the latter days? Why must so many dreadful and turbulent events occur in the latter days? What organizations, laws and covenants must be established prior to His Return? What must take place in order to redeem the land of Zion? How will the city of New Jerusalem be planned and built? What does it really mean to live in the fullness of times? How will this eventually be fulfilled? How can we best prepare ourselves for His Return? Fully illustrated. Footnotes linked within the text. Complete table of contents.
