

## Double Your Reading Speed

In today's busy and complex world, rapid and efficient reading is not only a useful skill, it is a must for everyone who wants to succeed. The big switch in business and industry has been from brawn jobs to brain jobs -- and it is the person who knows how to read swiftly and intelligently who will reap the profit of this new era. Here are the secrets of a dynamic new reading technique that will enable you to read in half the time with better comprehension -- in only 10 days! In fact with just a few simple exercises your reading will improve 10% or more on the very first day! Spend just a few minutes a day with this book and you will not only double your reading speed but also your chances for success in any walk of life.
