

Cut It Out! How I Feed My Family of 10 For \$500 a Month Without Coupons

Cut It Out! is a book that teaches how to be a smarter, more organized shopper. It uses the meals you normally cook but teaches you how to plan so you can save money without cutting a single coupon! Cut It Out! is a book that shares my journey as a stay-at-home mom with eight children, learning how to economize to stay within our budget. I spend \$500 a month on groceries for my family. I have an additional \$50 a month for toiletries and paper products, but there are some months where that additional \$50 is not available. I'll teach you how to create a price book, how to use your computer to help organize your meal planning and your shopping and how to cut back on your grocery spending WITHOUT the hassle of cutting, sorting and using coupons.
