

## Settled & Strong: What It Takes to Have Assurance of Salvation

Nothing in the world compares to being saved and knowing it! God wants us to have confidence that we possess eternal life. That assurance is available to every person based on the principles and promises of God's Word. In *Settled and Strong: What It Takes to Have Assurance of Salvation*, Evangelist Troy Carlson lays out the two steps to living in confidence with God about the matter of salvation. Once a person settles his salvation based on God's Word, he must then build that confidence through Christian growth. This book will answer your questions, help you determine what spiritual step to take, and give you what you need to help others enjoy this confidence as well.
