

How To Save Your Marriage: 10 Simple Steps to Your Happy Family Once and for All

You meet the person of your dreams, you fall in love, you get married and then you live happily ever after. Sadly real life is not like the movies. No matter how much you love someone a marriage is hard work.

In today's modern society marriage is seen as disposable, divorce is easy but is your marriage worth a second shot? You fell in love with a person once, many years ago. Has that love completely gone? Do you want to start the process of a divorce or do you want to try to save and build on what you have. This book will give you the tools you need to save your marriage and help you to work with your spouse to make it stronger in the future. In this book you will learn: How to build the foundations of a strong marriage before you even get to the altar; How to recognize that your marriage is in trouble; How to want to fix it; When to consider counselling; How to bare your soul to your spouse in a constructive not destructive way; How to forgive each other and reaffirm your commitment to your marriage; How to rebuild trust in your relationship; How to explore practical solutions to move your marriage through the difficult times; How to turn words into actions; How to rekindle the love in your relationship.
