

Read this book and never trust traditional golf instruction again. Everyone has heard the adage, Keep your eye on the ball, but what if that's what's throwing off your golf game? Thomas Pranio explores the idea that, rather than looking at the ball, you need to look past the ball and keep your eye on the target in his instructional booklet, Stop Looking at the Ball: Start Playing Golf. Buy this book now. You won't be sorry. You'll be surprised at what you will find out and then you'll never trust traditional golf instruction again.
