

How to Talk Your Way Forward: Think, Talk and ACT Like a Champion

Wouldnt you like to Think, Talk and Act Like a Champion? This self-help book shows you How to Talk Your Way Forward and accomplish that goal. This amazing book helps you discover that you are a unique creature of God, living on earth to fulfill Gods purpose now-right now. It also shows that man is not an accident on earth, but a seed of supernatural greatness that God planted here for recognition, prominence, and honor. If you can change the way you think based on the word of God, and talk and act that way, there is no limit to what you can succeed. The affirmations in How to Talk Your Way Forward are meant to be read out loud daily, until they become a reality in your life. Our thoughts are seeds, and with our words we paint a public picture of our inner self. If you do not like the result you see, change your inner world. We are greatly blessed, highly favored, and deeply loved by God, based on what Christ has done and by our faith in Him. Dr. Barth E. Okonigene is a mechanical engineer with a doctorate degree in project management. He lives in Nigeria with his wife and three children. It is my passion to make a difference in the world around me. I have failed several times. Then I found out that winners were losers who got tired of losing. I also discovered that winning is not everything, but the willingness to win is everything. This is his second book. Publishers website:
