

I AM Creating My Own Experience - The Creation Vibration Barry Thomas Bechta Do you want better relationships? Do you want improved health and well being? Do you want abundance to be free flowing and easy? YOUR RESULTS COME FROM YOUR CREATION VIBRATION I AM The DJ (Disc Jockey) of my life. My thoughts and feelings Create Vibrations which Attract people whom like to sing and dance to the same tunes I do, while at the same time repelling all people whom like to sing and dance to different tunes. If I like the tune I AM singing and dancing to, I need only keep Choosing it and playing it. When I AM ready for something else, I can Choose a different tune. In my past, I sang the story of my life. My life story was presented primarily in two different songs: WOE IS ME or WOW IS MEMY Creation Vibration is very simple. I Choose whatever I experience in my life through my thoughts, feelings, words, and actions. If I am unsure about what I AM Attracting into my life, I need only look at my experiences to see what I have Attracted. If I Feel hole and incomplete, that is what my Creation Vibration Attracts. If I Feel Whole and Complete in my life experience, that is what my Creation Vibration Attracts. My Creation Vibration Attracts matching Vibrational Experiences to me. Hole and incomplete feelings within me set my Creation Vibration to Attract people, places, things, and experiences that Allow me to experience my hole and incomplete Vibrational Core. Whole and Complete feelings within me set my Creation Vibration to Attract people, places, things, and experiences that Allow me to experience my Whole and Complete Vibrational Core.
