

Golf is one of the most popular hobby sports among men and women of all ages, but if you've never picked up a club before, it's hard to know where to begin. Geared for the absolute beginner, *Idiots Guides: Golf* teaches the basics of the sport in a series of lessons using full-color, step-by-step illustrations. Photographed in a film-strip style, the instructions allow the reader to clearly see how each swing is executed. Every lesson is accompanied by helpful pro advice on common flaws and how to avoid them, other considerations during your swing (grass, aim, etc.), *Picture This!* images to remind players of alignment and technique, and dozens of practice drills to help perfect your swing. In addition, *Idiots Guides: Golf* features detailed information on golf lingo, etiquette, and the rules of the game, plus a tour of the course, which takes the new golfer through every element of the course, from the bag drop to the 19th hole. This completely illustrated tome is an essential tool for every beginning golfer.

The Mountaineer 1977 / Vol. 72, No. 8 / July 1978, Life is Tremendous! Enthusiasm Makes the Difference, Get a Man, Keep a Man: A Woman's Recipe for Love, The Coordinator's Shoes: Sandy's Wedding & Relationship Guide, Your Six-Year-Old Inner Artist Dream Journal: A Companion Workbook, The Ancient Egyptian Pyramid Texts (Writings from the Ancient World), The Confession of Faith; the Larger and Shorter Catechisms, ...
