

# Visitors From Within, 2e: Extraterrestrial Encounters and Species Evolution

This is the newest edition of a classic work with added material. This book combines narrative, precisely-focused channeled material and firsthand accounts exploring the ET contact and abduction scenario. Not a fear-producing or gloom-and-doom book, Visitors from Within challenges the reader to use these contact experiences as a tool for personal and planetary evolution. The newest material focuses on the abilities of children to transcend the barrier that seems to lie between humans and extraterrestrials. This book will move you, and encourage you to expand your beliefs about extraterrestrial contact forever!
