

The God Child #3 (The God Child: 1)

Maggie continues her training at the mysterious camp in the desert while The Church's assassins continue to hunt for her. Kurt's punishment for his bloodbath in issue two is revealed. Will he turn over a new leaf or is he still the same trigger happy psychopath? And Grace makes a reckless attempt to do something nice for Maggie that may cost her her life. All that and more as The God Child saga continues. ...it has me hooked. The dialog and narration is punchy and engaging, and the pacing doesn't mess around. - Stephen Bretall, ComicSpectrum.
