

21st Century Keys to EMPLOYMENT

This book is the result of 14 years working directly with people who have lost jobs, homes, financial freedom, and hope. 21st Century Keys to Employment will guide you through the steps necessary to stand out from the competition to land that next job! Due to the economy I was laid off from two executive-level positions in three years. After 6 months with no success in finding a new job, I was desperate. I attended Lynne's training program. Within 3 weeks I had three job offers in hand! Robert UNBELIEVABLE! My jaw dropped when I received an offer almost DOUBLE the salary of what I was expecting, plus commission; on top of that a full benefits package. I am now managing in a major retail chain! Nadia After losing our family business, our home, and financial security, I attended a 21st Century Strategies workshop, and within two weeks was hired by my county school system! Jessica I love my new job! Could not have done it without you... I learned so much from your classes! Carol After attending the resume and interviewing classes, I was able to rejoin the workforce following 18 months unemployment. I continued to utilize these new skills to transition into my new dream job! Jennifer The resume writing and follow-up etiquette got me the job. After no initial response, I sent a letter reinforcing how my skills matched their needs. They took a second look and hired me! Thank you! Tricia LYNNE SAUNDERS is founder of Papas Pantry, a non-profit organization designed to help people gain stability.
