A dog may be a mans best friend but a dog that plays soccer will be a boys best friend for life. This soccer book, aimed at boys aged 7-10, tells the story of Tommy and his dog Digger. Digger loves playing and every night after school, Tommy and Digger hit the local park to practice with their football. With the big game looming, can Digger help Tommy improve his skills? This is a book that younger kids will love hearing and older kids will love to read. Anyone that loves dogs and just cant get enough football or soccer action in their life will love this story.
