

Does This Life Make My Butt Look Big?: If you dont like how your life looks, then its time for a change...its time to STARTLIVING

So many people know they need to make changes in their life but dont because they may feel overwhelmed or just dont know where to start or are scared of what might happen. This book is a light-hearted, easy-to-read, reference/workbook that walks you through the steps Dr. Crystal Sears took to go from being an unemployed mother of four with only a high school education facing divorce, the loss of her home, and nearly everything in her life being turned upside down to where she is today. In the course of just a few years, she was able to walk through the doors God opened and complete four degrees, purchase a new home, and begin a whole new life. If you are looking at this book, you must want something more. If you dont like what your life looks like, well then, lets go! Its time to start living!
