

The Othersiders: A Short Story

A dream where 16 year old Hugos life is under threat from a clown becomes worse each night and when the class is scheduled for a trip to see behind the scenes of a circus it is the last place he wants to go. Painfully shy 13 year old Star hates circuses too, but for 14 year old Maya, it is a chance to show her skill at drawing. But is the danger Hugo senses waiting for him real? This short story was created by the Ballyvourney Library Teen Book Club, coordinated by K. Gleeson. All proceeds go to Breast Cancer Ireland.
