Despite all the Pain and Heartache, You Really Can Restore Your Marriage. Are you in that place in your marriage where you feel that its impossible for things to get back to the way they used to be? People get married because they want to be happily married. Then something happens along the way. The fighting, the boredom, the disconnection, for some infidelity, and for others feelings of deep hurt and dissatisfaction with the way things are. Most couples try to resolve their marriage woes using the same information and relationship-sense that got their marriage into its current unhappy state.
