

The Valley of the Ancients

In a London suburb two families guarding an extraordinary secret plan an epic journey to a lost crater in the Amazon jungle. Their mission: to discover whether dinosaurs still exist on earth. Thousands of miles away, in a Brazilian high-security prison, a gang of ruthless criminals hatch plans of escape and murder. In a nearby university laboratory a brilliant but evil professor becomes obsessed by one of the most incredible inventions in human history. Soon, all their destinies become inextricably linked in a violent and mortal struggle. The outcome will affect the lives of countless people, all over the world. A spell-binding, colourful and exciting adventure packed with interesting facts, fearsome creatures and beautiful illustrations.
