

# In-Fisherman Critical Concepts 3: Catfish River Presentation Book

Volume 3 of In-Fisherman's Critical Concepts series for catfish covers the whole spectrum of river presentation strategies for channel cats, flatheads, and blues. It all starts with selecting the right rods, reels, and tackle. Learn the best riggings and top bait options for the species and the situation. Find out about reading water and selecting prime spots. Then put it all together with the right presentation for catfishing success in rivers, small to large.
