

Influence, How To Exert It

Yoritomo-Tashi, ranks as one of the three greatest Japanese statesmen in history. This great Shogun exercised an enormous dominating influence over the minds of his people. To him, the art of influencing others was the key to Success. These twelve lessons draw from the writings of Yoritomo-Tashi teach the methods by which Influence may be exerted and exercised. Topics covered include: Increase and expansion of our psychic forces to awaken the dormant energies within us. How influence may be exerted by persuasion and suggestion. How to fix an idea when supported by logical arguments. The magnetic influence of the human eye and exercises for its development. The power of good example. The value of perseverance. The achievement of great things by doing things in spare moments. The power of concentration, and exercises to acquire it. Using confidence to exert a mighty influence that can benefit even those suffering from mental and physical ailments
