

Intron Depot, Volume 2: Blades

Intron Depot 2: Blades is the newest full-color book from creator Masamune Shirow (Applesseed and Ghost in the Shell). It collects 209 fantasy-themed illustrations, paintings, and computer graphics created by Shirow between 1992 and May 1998, none of which have been published in the U.S. before. It also contains detailed commentary (in both Japanese and English) on each work, and an info-box that explains the techniques used to produce each piece.
