

Turkey invades Israel: Halfway to Armageddon (High Time to Awake Book 4)

There is a battle brewing that will usher in the last days of the church on earth, and also the beginning of a terrible time of trouble for Israel and the entire world! This battle is not some far off event, but these armies are already amassed today! According to Ezekiel chapter 38 Turkey will lead an Invasion into Israel along with Iran, Sudan, and Libya. All of these armies are fighting in Syria today. In 734 BC the Assyrian empire invaded Syria and then turned south into northern Israel. The ancient Assyrian invasion is a model for our present day invasion into Syria and then Israel. Assyria also invaded southern Israel in 701 BC. This time reaching all the way to the city limits of Jerusalem. This ancient Assyrian invasion is a model for the battle of Armageddon that happens at the end of the seven year Tribulation period. This future day invader of Israel is called The Assyrian in Isaiah chapter 10. The Assyrian also refers to the Antichrist! So we are talking about two separate invasions into Israel, both led by Turkey! The first invasion kicks off the biblical end time in earnest. The second battle marks the pinnacle of Israel's trouble and the return of Jesus Christ to abolish all of Israel's enemies. Somewhere in the midst of these events the Rapture of the Church takes place! Both of these battles are referred to as The Battle of Gog and Magog in Ezekiel chapter 38 and 39. Don't be confused. Magog was a prominent founder of the land we call Turkey today. Gog is Turkey, Magog is its leader. Ezekiel 38 describes the 1st Battle of Gog and Magog. Ezekiel 39 describes the 2nd Battle of Gog and Magog. Still confused? Read on. I promise that it will all make sense in a moment. You probably don't realize that you need to know all there is about the two battles of Gog and Magog, but trust me this subject is about to define our time in biblical history! These battles are the fulfillment of the major bible prophecies of

our time! The first Turkish led battle of Gog and Magog is the fulfillment of the of the preeminent pre-Tribulation bible prophecy! So if Turkey invades Syria and then invades Israel it would = the 1st Battle of Gog and Magog (Ezekiel 38) which = the first Assyrian Invasion in 734 BC. Another Turkish led invasion into Israel will happen at the end of the Tribulation period which = the 2nd Battle of Gog and Magog (Ezekiel 39) which = the second Assyrian invasion in 701 BC which = The Battle of Armageddon. Also the Assyrian = Magog = the primary ruler of Turkey = the Antichrist! The battle of Gog and Magog described in Ezekiel chapter 38 is a loud wake-up call announcing that the end of the church age is near, and that the time of Tribulation for Israel and the whole earth is at hand.
