

Healing In The New Testament

...But he was wounded for our transgressions, he was bruised for our iniquities; the chastisement of our peace was upon him; and with his stripes we are healed... Who his own self bare our sins in his own body on the tree, that we being dead to sins, should live unto righteousness; by whose stripes ye were healed. (Isaiah 53:5, I Peter 2:24) This book, Healing in the Whole Bible, is one of a two-part series that encompasses both the Old and New Covenant paradigms of healing. Such issues are investigated as: Where does sickness originate? Has healing ALWAYS been part of Gods plan for man? Is it Gods will to heal everyone? Why is it that some folks are never healed?

Has healing passed away? Was healing part of the atonement? There was once a leprous man who came to Jesus and asking for help; Lord, if you are willing, YOU can make ME clean... To which the Savior replied, I am WILLING! Be clean... and immediately the leprosy left him. Gods will to heal is very much the focus of this encouraging study.
